School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Maurice Williams Jr. - Head of School

I am a product of Oakland public schools, I earned my BA in History from Stillman College, and a Master of Public Policy from Pepperdine University.

I am a lifelong learner and believe that the AIMS Model, if implemented with fidelity, will ensure the academic success of our scholars and will help break the cycle of poverty within our community.

Now in my 7th year with AIMS K-12 College Prep, I consider it an honor and privilege to lead our high school and look forward to working with all stakeholders to fully implement the AIMS model at our Lakeview campus.

The future is bright at AIMS College Prep High and I look forward to working with you in building a stronger AIMS together.

School Description and Mission Statement (School Year 2019—20)

An Introduction to AIMS

American Indian Model Schools focuses on the four tenets of 1) Family; 2) Accountability; 3) High Expectations; and 4) Free Market Capitalism (Hard work, effort and the freedom to succeed are key to students' success). This handbook serves as a road map for preparing your students to compete and be productive members in a global society.

AIMS School Slogan - "A School at Work"

AIMS Mission Statement

American Indian Model Schools offers a rigorous program designed for academic excellence with the goal of closing the achievement gap while raising the bar. Our ultimate mission is to have all of our students be accepted to a four-year college or university.

AIPCS/AIPCS II Mission Statement

AIPCS & AIPCS II exists to prepare all students, especially those who have been traditionally underserved, to successfully enter AIPHS or another high performing high school.

AIMS Credo

The Family: We are a family at AIM Schools.

The Goal: We are always working for academic and social excellence.

The Faith: We will prosper by focusing and working toward our goals.

The Journey: We will go forward, continue working, and remember we will always be a part of the AIM Schools family.

AIMS Values

At AIMS we value:

Excellence - Commitment to excellence in all that we do

Wisdom and Knowledge - Pursuit of wisdom and knowledge as intrinsically valuable

Empathy - Recognition of dignity and worth of every human being

Family and Community - Building of family and community

Equity - Social awareness and justice that leads to action

Legacy - The continued preservation and development of AIMS methodologies for 21st century learners and educators.

Our Core Values

1. We are a family at AIM Schools
2. When teachers, families and students follow and support the AIMS Model as written children are guaranteed to be prepared for college.
3. We create an extended family with administration, teachers, staff, students, family, and selected community. Students and staff are expected to clean and take care of the school property. Parents and family are expected to be a positive and supportive presence.
4. Teachers spend two years with their students in grades 1-2 and three years with their students in grades 3-5 and grades 6-8, teaching all core academic subjects. This creates an environment of strong academics and family culture.
5. Former AIM school students enrolled in college may be paid to work with our current students.
6. The AIMS community supports and guides all our students by engaging in restorative practices and alternatives to traditional discipline. The AIMS community does not give up on our students.
7. All current and former students are encouraged to sign up on the alumni page on the AIMS website.

School Facility Conditions and Planned Improvements

AIPHS is located on the Lakeview campus in a Prop 39 facility. Our school prides itself in providing a safe, clean, and well-maintained environment to its families and staff members.

General

Our school prides itself in providing a safe, clean, and well-maintained environment to its families and staff members. We have used the Facility Inspection Tool from the State of California OPSC (Office of Public School Construction) to systematically gather insight into the condition of our facility. The school grounds, restrooms, and building are in excellent condition. Any repairs or problems are given immediate attention.

Maintenance and Repairs

AIMS model dictates that anything that requires maintenance or repair be addressed in an effective and timely fashion. Any issues that arise during the school day are communicated to the appropriate personnel by our admin team to be serviced. Maintenance/repair personnel are immediately contacted by our admin staff during the day an issue.

Cleaning

During the day, everyone at school contributes to the cleanliness of the school by picking up after themselves, sweeping the floor, wiping down the tables after lunch, etc. After school, Custodial staff work to maintain a clean campus daily.

Recently Completed Facility Improvements

We recently purchased new lunch tables for the students to be able to sit outside. We removed plantar boxes to create a bigger playground for our students. We painted stairs and hallways. We are in the process of painting classrooms.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	54.0%	59.0%	36.0%	36.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	43.0%	63.0%	29.0%	29.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

American Indian Public High School encourages families to play an active role in their child's education. We have an open-door visitation policy and encourage families to visit during the instructional day to see their children at work. We ask that parents bring students to school on time and fully prepared for each school day.

1. A parent can serve on our Governance Board, School Site Council (SSC), or Family Advisory Council (FAC), English Learner Advisory Committee (ELAC), District English Learner Advisory Committee (DLAC).

2. Wellness Committee which allows families to support with developing a healthier school environment, create the vision and goals for local healthy schools program, advocate for school health programs and policies within the school community, provide feedback to school district regarding process implementation of the local wellness policy.

3. Our parent coordinator disseminates school information and through online communication (Parent Square). Data and Operations department creates annual surveys to parents to determine the information they need from school. We involve parents to hold workshops and meetings on issues of interest to within the community and assist outreach efforts of Parent/Teacher Association, develop ongoing relationships with the community to share information about the school and identify community resources, provide information and resources that can help parents to support their children's learning at home.

4. Parents can volunteer to help with decorations for school events, traffic duty support, coverage with watching students during lunch, prepare and or donate food for annual Harvest Festival Celebration, Winter Holiday Celebration, and senior graduation.

5. Parents are encouraged to be active at home by assuring that their child is completing all assigned work, communicating with homeroom teachers of their child, and by making sure that their child leaves home for school on time.

6. Parents can also volunteer to chaperone field trips.

AIPHS Guarantee:

We encourage families to follow our model and we guarantee their children will be prepared to graduate from college. In an effort to support AIM Schools, the Family Advisory Committee (FAC) held by our Parent Coordinator meets monthly to hear and discuss family concerns and organize family volunteer efforts for AIM Schools. The Family Advisory Committee acts as a liaison between families and the schools' along with the administrative team, sharing their voice at monthly AIM Schools' Governance Board meetings.

School Safety Plan (School Year 2019—20)

Safety is one of our utmost concerns. To ensure the safety of our students, we have done the following things:

1. Conducted regular monthly fire drills.
2. Practiced meeting at a predetermined location in case of a fire. Evacuation maps and Exit Routes are placed in every room on campus.
3. Hired a fire safety expert to inspect our fire alarm and fire extinguisher every year.
4. Ensured all classrooms have an emergency kit in the classrooms.
5. Trained each teacher to respond to earthquake and fire emergency.
6. Practiced the "duck and cover routine" for earthquakes.
7. Updated our emergency kit with first-aid and disaster supplies.
8. Implemented an Emergency Lockdown procedure and conduct two lockdown procedures per academic year.
9. Implemented a Shelter in Place procedure.
10. Continued to address bullying, abuse and other issues regarding safety and the well-being of students and staff members.
11. Continued to follow through with a Traffic Safety plan.
12. Designated a Safe School Plan Committee.

Types of Services Funded (Fiscal Year 2018—19)**After School Tutoring/Saturday School**

Intervention aides who provided instructional support via small-group tutoring both during and after school. Tutoring groups are based on ability level. Classroom teachers assess students then assign students to tutoring groups. The tutors and resource teachers frequently collaborate with and provide ongoing updates to classroom teachers to support the students' academic needs. Some teachers even offer free tutoring for students during Saturday school. Tutoring is an integral part of the American Indian Model and ensures that students receive the academic assistance needed to be successful at AIMS.

Title I & Title III

Through Title I and Title III funding we are able to offer program and services to student's with after-school tutoring support. In addition, we offer a comprehensive ELD intervention program to support the needs of our ELL population. Push in and pull out intervention services are offered for students who are failing or at risk of failing to meet AIMS standards.

AIPHS' Extended School Year

AIPHS students attend an extended school year for three weeks between June and July. The extended school year serves as a starting point for the new school year. For many new students, the extended school year provides opportunity for students to acclimate to the American Indian Model and academic rigors.

National School Lunch Program

We are proud to be able to provide students with access to a variety of affordable and appealing foods that meet the health and nutrition needs of students. All meals, foods, and beverages sold or served at school meet state and federal requirements based on the USDA Dietary Guidelines. All meals, foods, and beverages are prepared and served by qualified child nutrition professionals to ensure all students are provided access to healthy meals. I want to thank you all for your patience in getting our programming started this year.

Techbridge

Techbridge's hands-on science program for girls . Participating students met once a week to work on projects.
